INNOVATIVE SOLUTIONS FOR «SIGNAGE» INDUSTRY

Art Neon Lighting has been operating on the lighting market for 20 years, specializing in providing professional LED light sources, lighting fixtures and components, dedicated to a wide range of illumination applications in many industries. Our products are promoted under brand– **BERGMEN®**.

Headquarter Krakow, Poland

Sneak peek of **BERGMEN**'s Headquarters in Krakow, Poland

Since 1999, it has been successfully delivering the most professional components for advertising: LED modules, power supplies, aluminium frames and profiles, aluminium composite panels and light diffusing film.

Another part of company's business are **BERGMEN**® lighting products which are being offered to architects, interior designers, wholesalers, furniture makers, real estate developers and electrical and lighting companies.
