OUR BRANDS

CMN Group provides its customers with a list of sheets that is one of the most complete in Italy and Europe.

In the four warehouses it is indeed possible to find:

***ECOGLAS**, methacrylate sheets, **ECOPET** sheets (Pet and PETG) polycarbonate sheets (both compact and alveolar), PVC sheets, **ECOPLAK** polypropylene sheets, polyethylene sheets, **ECOPAPER** honeycomb panels plus sandwich and **ECOBOND** composite aluminum panels, all subject to careful analysis and sold with certifications.*

A regular and well-planned schedule allows quick delivery of orders.

ECO  [®]

Certifications

Strengths:

- Own production site (ECOLED [®]) for a faster supply chain, from manufacturer to customer.
- High quality standard products up to 5 years warranty and CE/UL certification.
- Wide range of products specific to every type of use, customizable for special projects or needs.
